

All In All

Steve Cook | Felicity Dillon | Jordan Dillon

Verse 1

Jesus my all in all
In toil my rest in pain my ease
In sickness my remedy
In loss my gain in war my peace
You're the promise that rids my doubts
In shame my glory and my crown
Jesus my wealth in need
My strength when weak
You're my all in all

Verse 2

Jesus my all in all
In flood my Rock in drought my rain
My calm in the anxious storm
The waves You still the wind You stay
When I fall You pick me up
When I'm empty You fill my cup
Jesus my hiding place
The name that saves
You're my all in all

Verse 3

Jesus my all in all
In fear the source of strength and power
In chains You're my liberty
My guiding light in darkest hour
In sorrow comfort and endless peace
In death my life through eternity
Jesus You're all I need
My joy complete
You're my all in all

Bridge

Hallelujah unending love
Hallelujah amazing grace
All-sufficient in every hour
Hidden source of eternal bliss
From the rising to setting sun
With each thought let my soul recall
Oh Jesus my all in all
Oh Jesus my all in all
Oh Jesus my all in all
