

# Every Room of My Heart

Jordan Dillon

## Verse 1

All the doors inside my heart were locked  
I was empty without God  
Then I heard the King of Glory knock  
And I heard Him call my name

## Pre-Chorus

Who is this King of Glory?  
He is strong and mighty  
He's the Lord of all the earth  
Who is this King of Glory?  
He is high and worthy  
He is patient good and true

## Chorus

Swing wide the gates  
Unlock the doors  
Let the King of Glory reign  
In every room of my heart

## Verse 2

There is one Supply to all of life  
Now He lives within my heart  
Borderless yet with my soul now tied  
And He's filling every room with His  
goodness and His love

## Bridge

He's the King of Glory  
He is strong and mighty  
He's the Lord of all the earth  
He's the King of Glory  
He is high and worthy  
He is patient good and true
