

Psalm 148

Jordan Dillon | Elijah Stanley | Anna Stanley

Verse 1

On mountains high in valleys low
Oh-oh-oh Praise Him Oh-oh-oh Praise Him
With hands stretched wide and knees bent low
Oh-oh-oh Praise Him Oh-oh-oh Praise Him
The old and young daughters and sons
Oh-oh-oh Praise Him Oh-oh-oh Praise Him
Sinners and saints lift high His name
Oh-oh-oh Praise Him Oh-oh-oh Praise Him

Chorus

The Lord our God has the highest throne
All the earth lift one voice in worship
Glory and power are His alone
Come on and praise Him
Come on and come on and praise the Lord

Verse 2

The rich and poor both weak and strong
Sing hallelujah sing hallelujah
Each shade of skin every language
Sing hallelujah sing hallelujah
Women and men strangers and friends
Sing hallelujah sing hallelujah
All who love the Lord let us lift one voice
Sing hallelujah sing hallelujah

Bridge

Let everything that has breathe come on praise the Lord
Let everything that has breathe come on praise the Lord
Let everything that has breathe come on praise
Let everything that has breathe come on praise
Let everything that has breathe come on praise the Lord
