

Unified Church

Jordan Dillon | Kenny DeShields | Mark Goins

Verse

We are united we are one
Joined together by the Son
There's nothing between us
No walls can stand
Nothing too broken
That You can't mend

Chorus

There's a new day breaking
There's a new song rising
We're coming awake to Your praises
We're coming awake to Your praises

Bridge

Hear the sound of a unified church
Hear the sound of the Spirit at work
It's the sound of heaven on earth
And it's getting louder
